Informed Consent

I understand The Fertility Clinic at Practice Longevity may record medical and other information concerning my treatments in electronic or other physical form. Such information may be released by the clinic for the purposes outlined on this form. I understand that portions of my medical records may be disclosed to qualified non-clinician personnel for the purpose of conducting scientific or statistical research, management or financial audits without my consent. I understand that no guarantees have been made to me as a result of treatment or medical examination at Practice Longevity.

Records Release Authorization

- I understand that I am fully responsible for my bill
- I authorize the use of this form for all of my insurance submissions
- I authorize release of information to all of my insurance companies
- I direct my previous, and current, health care providers to release medical records to this clinic
- I authorize my clinician to act as my agent to obtain payment from my insurance company

Treatment Consent Form

By signing below, I do hereby voluntarily consent to be treated by a licensed acupuncturist at The Fertility Clinic at Practice Longevity. I understand that Acupuncturists practicing in the state of Wisconsin are not considered to be primary care providers. Our practitioners at Practice Longevity recommend that you use complementary health care as supplement to your primary care physician.

Initial here_____ Acupuncture: I understand that acupuncture is performed by the insertion of single use sterile needles through the skin at certain points on or near the surface of the body. Acupuncture is typically a safe method of treatment, however certain adverse side effects may result. These could include, but are not limited to: local bruising, minor bleeding, dizziness, fainting, pain or discomfort, and the possible aggravation of symptoms existing prior to acupuncture treatment. I understand that no guarantees concerning its use and effects are given to me and that I am free to stop the acupuncture treatment at any time.

Initial here_____ Chinese Herbs: I understand that Chinese medicinal herbs may be recommended to me. I understand that I am not required to take these substances but must follow the directions for administration and dosage if I do decide to take them. I am aware that certain adverse side effects may result from taking these substances. These could include, but are not limited to: changes in bowel movement, abdominal pain or discomfort, and the possible aggravation of symptoms existing prior to herbal treatment. Should I experience any problems, which I associate with these substances, I should suspend taking them and call the clinic as soon as possible.

Initial here_____ Electro-Acupuncture: I understand that I may be asked to have electro-acupuncture administered with the acupuncture. I am aware that certain adverse side effects may result. These may include, but are not limited to: pain or discomfort, and the possible aggravation of symptoms existing prior to treatment. I understand that I may refuse this treatment.

I do not expect the Acupuncture staff to be able to anticipate and explain all possible risks and complications of treatment. I have carefully read and understand all the above information and am fully aware of what I am signing. I understand that I may ask my practitioner for a more detailed explanation of anything regarding my treatment. I understand that there may be other treatment alternatives, including treatment which might be offered by a licensed physician.

I have carefully read and understand all of the above information and am fully aware of what I am signing. I give my permission and consent to treatment.
